

The Canadian Struggle with Reverse Racism
The ZOG Program for the Mongrelization of the True Canadian Race

Mme. Harleffie Pussy

Before reading further, it should be noted that the degenerate White men which, in my impoverishment, that I am forced to live with are filthy swine who piddle piss on the floor of our shared toilet and shit on the seat, and walk in each other's piss and sit upon each others shit, as foul and dirty as any drunken Indian or White junkie peeing and pooping like dogs in the street. And, as far as my racist attitudes towards other races are concerned... let me tell you that I am a strong believer in the **law of the exception to the rule**.

Introduction

In the past, "we" have struggled to expose the awesome power of the **Zionist Occupied Government (ZOG)** in Ottawa, the Illuminist Khazarian-mafia bankster control over Parliament, and the **Jewish New World Order (NWO)** influence over our quisling leftist/communist politicians, the Senate, Supreme Court, and the Bank of Canada... and how these traitorous feral curs' drop to their knees and roll over on command in lap-dogged belly up submission to the dominance of Jewish money... and how "it" has enabled this perfidious subhuman race to capture control of our government - municipally, provincially and federally, the news media and every other nerve center of power in "our" country, and more especially below the 49th Parallel in America, and across the Atlantic Ocean in Europe, as well as across the Pacific Ocean in Australia and New Zealand. Now let "us" examine the treacherous deceptions *that* the God-damned **"Eternal Jew"** is using here-in Canada in order to mongrelize us, the **Canadian Race - true and strong and free** - in order to force-feed and pump the rancid-diseased blood of Africa, South America, and the Middle and Far East into the veins of our Eurocentric cities as if "we" were - nationally just as much as individually - some filthy junkie addicted to and dependant upon the foul opiate of fear-mongering and self-loathing which these death-dealers are drugging "us" with - nurturing our children upon the candy-coated poison of faggotry, reverse racism and **White Genocide** - and robbing our children's children of the ancestral promise of the prosperity which our grandfathers died for in the **Great Wars of the 20th-century** in order to establish within our midst a **superfluous global village**. But the sleepers are slowly awakening to the realization that the pleasant dream of our collective unconsciousness has quick become a living nightmare from which there is seemingly no escape... and "we" are "all" doomed to the living death of being buried alive under the *de tropic* mobs of soulless, slant-eyed, dark-skinned, fat-lipped and big-assed, rag-headed, rock-chucking Third World criminal degenerates thronging into our midst - hereafter called **"Niggers," a generic term inferring not only Blacks, but Lation/Hispanics, Asiatics and Muslims, too** - all brought here not to **enhance and diversify** our once great Western Civilization but "brown out" our generations through miscegenation and the stupefaction of our descendants into believing the deceptions of the **Bible Lie** - that we are all descended from one pair of prehistoric *homo Sapiens* which spawned all the divergent ethnicities - and the **Holohoax Lie** - all the while disregarding the factually evidence *that* there was no Holocaust - but, know this, eh! in fact, there was a **Holodomor**.

Furthermore, it is not widely known but the surreptitious truth of the Black African **Slave Trade Lie** has been sequestered and ulteriorly obscured and audaciously denied by these brazen Kikes which first invented it over four hundred years ago. They

also profited from the **Irish Slave Trade** and the **sale of British children...** but these subjects are, *of course*, taboo and officiously repudiated by educators.

When the **evil Jewish slave trade** first began dragging Black Africans into the Thirteen Colonies for financial gain, the Jew already knew how "he" was going to use the Nigger to mongrelize the new White civilization burgeoning in this beautiful new **Land Between of Promise**. And whilest "he" was making a huge profit dealing in Black flesh, "he" knew even then that later generations of "his race" could-and-would use this **venomous Black bane** to destroy the White Race. He knew this because he had been doing this very same thing throughout history, especially in Ancient Rome! enslaving our ancient Celtic and Gaulish-Teutonic and Germanic and Norse ancestors...: The children of ✨ **Herod the Great** being hostages of and fostered by the Caesars... and their descendants were the "tax-collectors" which followed the Legions on their expeditions of conquest. As a sidenote, ✨ **Louis Farrakhan** of the Nation of Islam, a Black Muslim leader, oft talked about the fact that Jews financed the slave trade into **British North America** (i.e. Canada) and more-so the United States.

Niggerization of the South

During the aftermath of the **American Civil War** the Jew launched a tremendous power drive to mongrelize the **White blood of the South**. This cruel, pointless war between the North and the South had been instigated by the Jews, and had absolutely nothing at all to do with an **abolitionistic moral crusade** to "free the Niggers from bondage" and/or for "state's rights" - it was all about money and the power purchased at **the price of blood and freedom**. The **War of 1812** had left the United States in debt to the **Jewish House of Rothschild** banking fraternity, who were establishing personalities such as ✨ **August Belmont** and ✨ **Jacob Schiff**, which *ultimately* resulted in the formation of the **Federal Reserve Bank - Rothschild America Incorporated**. ✨ **Judah P. Benjamin**, Secretary of the State and Secretary of the Treasury of the South, was a Rothschild agent - and an **abolitionist provocateur of hatred** between the North and the South. **President Abraham Lincoln, though**, was running out of money and was forced to print interest-free **"greenbacks"** to supply Northern armies and pay off debtors that had sold goods to the U.S. military... and, *thusly*, he circumvented the **New York Jewish-mafia banksters** - which incurred the wrath of ✨ Rothschild and this is why he was assassinated... *as were William McKinley and James Garfield for similar reasons*. **President John F. Kennedy**, who also designed to print **interest-free money** and bypass the New York Jewish-mafia banksters, was also assassinated. Now, the capitalistic war-mongering **Zionist Federal Reserve**, which is unconstitutional, is a **private bank** which issues currency to the government at high interest. The **Bank of Canada** is another usurious Rothschild-controlled **fractional**

reserve bank which issues paper script not backed by gold or silver - basically **inventing money out of thin air and indebting Canadians for "nothing" for ever**.

The Mongrelization of Canada

We have shown the awesome power of **Jewish money** and how it has enabled this perfidious race to capture "goyim" government, the news media and every other nerve center of power. Now let us examine the **treacherous deceptions** the Jew is using here in Canada in order to mongrelize us, the Canadian Race, in order to force-feed and pump the **black blood of Africa** into the veins of White North America. When the **Jewish Slave Traders** first began bringing the Black African into America for financial gain, the God-damned Jew already knew how he was going to use the "Nigger" to mongrelize the White civilization burgeoning in our beautiful **Land Between of Promise** - and less than 2% of Americans had slaves.

In 1865 slavery was finally abolished in the U.S. At that point thousands of Blacks had migrated into Canada either on the **Underground Railway** or earlier. But this wasn't the end of Black immigration to Canada. No! hundreds of immigrants still came north as a result of prejudice and violence in the U.S. At the turn of the century *approximately* 1000 Blacks immigrated from Oklahoma to Alberta to flee discrimination. It wasn't until the 1960s that Black immigrants began to come to Canada from other countries. This is because the **Canadian immigration policy** had biases against non-Whites making it difficult for those groups to gain entry into the country, such as the Asians and Punjabis. These new slant-eyed and shit-skinned immigrants quickly outnumbered the original Black population. Today there is a significant Caribbean community in Toronto and in Montréal. Those Blacks from English-speaking **Jamaica, Trinidad and Tobago** settled in Toronto while those from French-speaking **Haiti** went to Montréal *where the official language is French*.

Today less than 2% of the Canadian population is Black. The community is far smaller than in the States where almost 13% of the population is African... but other subhumans are in Canada. But just watch "Diversity TV," eh! and you'll see different.

Niggerization of the South - Revisited

Backed by the military arms of the (White) North, White Southerners were declared rebels and disenfranchised. The stupid Niggers who had no experience in government, who had never voted before, who were ignorant and illiterate, they alone were given the **power of vote**. *That's not something else you've ever heard in your class rooms, is it?* Soon the courts, the legislatures and other trappings of government were staffed with dumb, pompous Niggers, most of whom could neither read nor write, but whose actions were completely manipulated by **Jewish carpetbaggers**.

The Jews then proceeded to not only take over the governments of the White South, but steal their property as well. Overriding all this thievery and chicanery was a **ferocious program of race-mixing** in which White women on the streets were assaulted by the Niggers with no protection whatsoever from the law. The mongrelization program failed, though, mainly due to the rallying battle cry of the glorious **Ku Klux Klan**. By the 1880's the southern states had driven the Nigger from power and the White Man reclaimed his courts, legislatures and government. But the Jew still remained in the background in the nerve enters of power, unbeknownst to most of the "emancipated" Whites.

In Canada, these very same Kikes used "**script**" to rob our founding peoples, our **Méacutetis** ancestors - *coureurs des bois*, fur trading voyageurs, buffalo hunters and mountain men - of their woodlands homeland in Southern Ontario and Manitoba, pushing them ever-westwards into the prairie wilderness of the North West Territories - **Athabasca and Saskatchewan** - where they followed and after waging a war of conquest, hanging the prophet **St.-Louis "David" Riel fils** and stole that land, as well. And through **lies and deceitful Treaties**, the First Nations, *too*, were brought to its knees and made subjective... so that, even today, the Natives are still fighting for these promised civil rights. Be they savages or not, and I assure you *that* they are, they should have been dealt with more honestly and honourable by our Eastern government. We would be a stronger nation today if this had been so.

The fact that indigenous Native peoples are still fighting for recognition of their "**treaty rights**" is further proof of the bullshit that the **Zionist Occupied Government in Ottawa** is trying to heap upon decent Canadians. Furthermore, the Harper government nullified one of Canada's oldest laws protecting the majority of bodies of water across the country - the **Navigable Waters Protection Act**, first introduced in 1882 to protect 2.5 million lakes and rivers, was replaced with a new **Navigation Protection Act** covering only 97 lakes, 62 rivers and the three oceans on Canada's coasts, easing the burden on companies seeking approval on new industrial projects, such as tar sands development or mining extraction through destructive fracking methods.

And, if their greed wasn't enough, in the early 1900's the power-mad Jews launched a new program for the **mongrelization of the White Man**, under the guise of a hate-filled **Communist party**.

Mongrelization Blueprint

Here is the blueprint as laid down by Jew ☆ **Israel Cohen** in his book entitled "**A Racial Program for the Twentieth Century**" (1912): "We must realize that our party's [the Communist party] most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to the program of the **Communist party**. In America, we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negroes, we will aid the Negroes to rise in prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our cause." So there you have it! is not this that which is happening today? is it not a fact that the **sport heroes** promoted by the Jewish press, are the Nigger

"heroes"? and that White Women are being duped, into wanting to intermarry with these Nigger-gangstaz and integrate with them? This **subliminal programming of the Jews** and the **Communist Party** has become reality in this country. It is a three pronged program: Basically the program is to instill hatred among Niggers for the Whites - the "**Black Loves Matter**" obsession; at the same time promoting a bullshit program of "interracial love" and "brotherhood" for the fags and Niggers; instilling a paralyzing guilt complex in the Whites to the point they would stupidly do anything to placate the dirty "fucking" fags and Niggers. What with government, money and the weapons of propaganda in the hands of the Jews, the battle is on.

A ferocious onslaught is being made by the Jews to mongrelize the races in Europe and North America in this generation. Everything possible has already been done to mix and integrate, but even this is not fast enough. The Jews know that in order to get **faggot marriages** accepted and get them in progress, they have to start with the school children at an early age.

The virulence of the Jewish onslaught varies with the times and opportunities. Like a **deadly virus**, it lies in wait for the right conditions to again flare into full **epidemic**. When after the Civil War the drive to mongrelize the White South failed, the Jewish network recouped and laid plans to create those proper conditions. Therefore, during the period roughly between 1880-and-1950 the **drive to mongrelize the White Race** seemingly abated, but secretly preparations went on at a fever pitch. Then at the beginning of the second half of the 20th-century it blazed into full virulence again, with some Jewish leaders predicting that within a few generation, no more White babies would be born.

On Commonplace Race Crimes

Let us look at some of the means and methods with which the Jews are pushing **integration, race mixing and mongrelization**, all of which spell the certain death of the White Race.

1. Legal Maneuvering

Using the Senate and the Supreme Court, the overwhelming majority of politicians enact laws which are such as to (a) benefit the Niggers and the mud races, (b) increase the tax load on the White productive citizenry and work towards the White's detriment, (c) promote race mixing, inter-racial and faggot marriages, (d) work towards the numerical increase of the Niggers, mud races and faggot influences, and (e) towards the numerical decline of the White people, their influence and power.

2. Sexualization of Our Children

Ontario **faggot Premier Kathleen Wynne** announced a tyrannical power drive to sexualize White children at an early age and to promote inter-racial and faggot marriages, effectively taking hold of the minds of our young. It is more-and-more common-place (especially in the bigger cities) to see a big Black buck Nigger walk hand-in-hand with a White girl or a White man with an Asian "submissive" or two homosexuals hugging and kissing in public. You see it all over the place. Now we're seeing it in smaller cities and towns, *too*. We're seeing mongrelized babies in baby carriages. We almost half-expect not even to see a White baby in a baby carriage anymore.

That White parents tolerate their most precious possession, their children, to be **hyper-sexualized against their will**, is a sign of how far the White Race has fallen into the clutches of the **MK-Ultra Monarchist-programming Jews** in Disneyland. Half a century ago they would have revolted and hanged the culprits for such an outrage. They should do so today.

3. So-called Open-Housing Laws

The **Jewish police state** has cowed and coerced realtors, builders and landlords to opening the doors wide to the Asiatics who refuse to assimilate, although they are not wanted and although they realize that they will ruin property values. When it comes to choosing or appraising real-estate of almost any kind, but especially residential properties, the one silent but over-riding factor is: Indians, Niggers, Chinks and Muslims. The questions spoken or unspoken, are: Are Niggers in the neighborhood? How far is it from the "reserve"? Are Muslims moving in this direction? How long before the Punjabis get into this area? Yet the real estate commissioners, Immigration Canada and the police are extremely harsh and rough and tough in demanding that the question never be discussed in public, and demand that any filthy "nigger" be allowed to move into any neighborhood he wants to, although they know it will depreciate and doom the neighborhood as soon as the first Muslims, Shitskins, Chinks or Indians move in. Although the justice system is lenient and permissive to the point of idiocy in dealing with criminals, murderers and rapists, they are tough and unforgiving towards any White who bucks the integration process.

When has the question of the **Muslim "tsunamigration"** been put to the ballot in a referendum? whence have the people voted to surrender our neighbourhoods to these foreign invaders? Despite massive **Jewish propaganda** attempts to put it across, the people got their "democratic" wish to import Islam"! Hell, no! The Jewish-controlled Parliament simply surrendered our **Free Will to Power** to these *so-called* "peaceful" peoples. We should have risen to a man and hanged these despicable traitors.

4. Welfare Programs

Today's welfare programs are both a **free-loader's paradise** and a **tax-payer's nightmare**. They are so designed that the "Niggers" can now loaf and ride on the backs of the working White People with full support and encouragement of government agencies. Hence the Indians, Niggers, and Muslims who are dumb, shiftless and lazy by nature gladly take full advantage of our generosity. This "generosity" gives them ample time to breed and to indulge in crime. Furthermore, with government programs, breeding and welfare has now become a way of life to an ever-growing segment of the "Nigger" communities, whose females 14-or-15 years of age start having children with-or-without the benefit of marriage. By the time they are 35 they may have produced umpteen little bastards all being subsidized by working **White taxpayers**. The mothers seeing every additional baby as an increased baby bonus... so all restraints are thrown overboard. Meanwhile, the working White couples, whose taxes are approaching out-right confiscation, have few or no children at all. It doesn't take a mathematical genius to predict the future of such a situation. It is just as the Jews planned it - flooding the country with parasites and shrinking the White Race into oblivion.

5. Taxation

As anyone knows, you can't collect taxes from people on welfare, but these taxes have to come from those people who still have the decency and the ambition to work and produce. Since the government is encouraging the Muslims to go on welfare rather than work; since an ever larger percentage of them are convinced they are better off on welfare than even trying to work; and since the total Nigger/Muslim population is growing by leaps and bounds, it is only logical to expect that our **welfare rolls are growing by leaps and bounds**.

This is what is happening. Not only are most of the Muslims on welfare, but an ever larger number of Whites are throwing in the towel, and like Indians... they too are going on welfare. The fact is that White couples are squeezed to the breaking point. Somebody has to pay for it, and *as mentioned*, it is a shrinking group of working White couples, whose taxes on food, gasoline, housing and a thousand other categories has gone up alarmingly in the last few decades. Add to this the unforgiving factor of ever-increasing **inflation**... and it has gotten to the point where it is almost impossible for the average White couple to make ends meet. As a result in many households both husband and wife work, having few or no children of their own, unwittingly subsidizing the increase and proliferation of the Muslims, the latter having government money and plenty of time to breed.

We are now the Slaves

So history has made a complete turn-about. Whereas the Niggers were originally brought in as slaves (by Jews) to work for their White masters, the Whites are now the slaves working and subsidizing the Blacks in the U.S., and, in Canada, First Nations and Muslim scum under the tutelage of the Jewish slave masters.

6. White Guilt Complex over Population Explosion

This is in some ways the most amazing of all. The population of the world is now increasing at an explosive rate. This is a fact and it is being hammered into our brains incessantly by the Jewish news media. Since White people are *usually* more conscientious to the point of being guilt-ridden, they respond by having one-or-two child families, or *as said* none at all. The Niggers, Shitskins, Latinos, Chinks, Muslims and other gangsta-pimp mud races on the other hand, being shiftless and irresponsible, like wild animals, just let nature take its course, breeding to the limits of their indulgence, and what with easy welfare checks, couldn't care less about the **population explosion** - except for those who are purposely out-breeding "us." Therefore, **as the "mud races" explode, the White Race is actually shrinking**. What the Jew is cleverly concealing in his **population explosion propaganda** is that the White Race is actually shrinking to extinction and being "browned out." By concealing the racial facts of the case, the Jews are accomplishing exactly what they set out to accomplish - **White Genocide**.

7. Churches and religion

Centuries before the **French Revolution** decreed the ill-fated idiocy that "**all men are created equal**," the same nonsense was already being preached by **Christianity**, laying the ground-work for the Jewish program of race-mixing. By preaching that we are "all God's children," *supposedly*, we are "all equal in the eyes of the

Jewish God Yahweh," the White Man's thinking was softened up to accept the mud races as his "brothers." Today the Christian churches have radically stepped up their **faggoty race-mixing** drive and have made it the most aggressive plank in their whole program. Not only do they always and invariably lend their moral support to race-mixing, but allocate a large portion of their budgets for all kinds of charity drives and programs aimed at helping Niggers in Africa, Shitskins in South Asia, and every kind of Chink on the opposite side of the world and a hundred programs designed to increase the subsidization of Islam into our communities, and to subsidize the proliferation and increase of the mud races. Worse still, they also promote a number of programs to bring Third World mud children into our midst to increase the mongrelization of our land. Many such orphans are adopted to affluent White homes - just like fag-hag Madonna - through the martyristic misdirection of the churches, only to grow up and marry into White society.

They Preach "Kill Whitey" in the States

While the **White Christian churches** are preaching brotherly love and aiding and abetting mongrelization and the guilt complex upon their White supporters, the Black churches are doing just the opposite. Khalistani Sikhs, Islam and the Nigger churches, aided and directed by the unseen Jewish hand, are preaching "**Kill Whitey**" and organizing programs to increase their populations taking over the political power structure of our once-great nation

8. Importing Alien Mud Races

The vicious, direct programming by the federal government of **importing alien mud races** has been detailed also in Ben Klassen's books *Nature's Eternal Religion* and the *White Man's Bible*, (which are available on-line if you would search for them).

Muslims are swarming into our country by the tens of thousands with the support of our government. The fact is the federal, provincial and municipal governments are encouraging this massive invasion, and taking an active hand in deliberately importing riff-raff not only from Syria and Afghanistan, but from all over the world, dispersing these despicable creatures all over the country. Even using our military and RCMP. In the 70s, Pierre **Trudeau** proclaimed an "open arms" policy, helping the massive invasion, throwing open the floodgates of immigration to the scum of the Third World which have been deliberately, actually aided and imported into Canada by the strong arm of our parliamentary ZOG itself and at the expense of, and to the detriment of the **White Canadian taxpayer**.

9. Organizing the Nigger vote

The churches are by no means the only institutions promoting and organizing the "Niggers" in the political arena. The Jews either directly through governmental sponsored and financed "civil rights" programs [] **Community Action Programs** such as **B'nai Brith** and the **Council of Canadians**, *for example*, are directly pushing the Nigger, Chink, Shitskin and now - the Muslim, to register in and leading him to the

polls. Then by means of splitting the White vote on the one hand and Jewish and communistic bleeding-heart Liberal leftist collaboration and solidarity on the other hand, the Jews have managed to "elect" one of their own kind and undermine the nation our fore-fathers established for us and our children. Thus, faggots and foreign-born devils, one-after-another find themselves pulling strings in governments offices in cities across the country, both small and large. With it usually goes the police force and a host of other civil service jobs that are then staffed by a host of stupid, incompetent Nigger-lovers and their ilk. The Whites on the other hand, instead of standing their ground and organizing racial solidarity of their own, foolishly flee to the suburbs, often abandoning their homes and investments they have built up over a lifetime.

10. Racial Discrimination against Whites

Concerning racial discrimination against Whites in jobs, loans, immigration, and other categories by official government coercion:

(a) According to the "**civil rights**" arguments, the government claims all it is trying to do is give "visible minorities" (meaning mud races) equal opportunities and equal rights. The government is also claiming that it is **color blind**, and there shall be **no discrimination in any activity because of race, color, religion or creed**. However this is a **deceptive lie**. ZOG is putting forth a blatant lie. Every law, every decision, every activity by our *so-called* color-blind government is loaded against the White Race and favors the mudling races.

In Ottawa, *our capitol city*, **foreign immigration** plays a significant role the city's population growth - foreign-born residents make up 23.4% of Ottawa's population, in which many come from the China, India, Lebanon, Pakistan, Somalia, Iran, the Philippines, Vietnam, and Haiti - and 20.4% list languages other than English and French as their mother tongue.

Non-Christian religions are also very well established in Ontario, that pest-hole of Jews, and, in the majority of cases, qualified White applicants are passed over for unqualified Third World aliens. They call this naturalization process the "**filling the quotas**" system. Another tricky catchword the Jews have invented is called "**affirmative action**." It blatantly means favoring mud races over Whites, regardless of qualifications.

(b) Not only is this prevalent in government jobs, but government is laying heavy-handed coercion on **private industry** to hire foreign-born workers, passing over and firing Whites. This, too, is all done under the guise of the **minority quotas** and "guide lines" for "**government subsidized wages**."

(c) Similar oppressive discrimination is applied against White applicants to medical schools, law schools and universities in general. A black gorilla dindu nuffin or little yellar Asian monkey that can hardly read or write is admitted, while a brilliant White student with a high IQ and good grades is rejected. The simian student is then pushed through and given a degree, although he is no more educated or qualified than his apish cousins in the jungle.

(d) In starting up a new business the government **Small Business Administration** will generously lend money to Niggers, Muslims, Chinks or Shitskins, although they know the risk is tantamount to throwing the money down a rat-

hole. However, if you are White it is next to impossible to get any such loan.

11. Discrimination Against Whites in Immigration

This is very important as well. The same discrimination prevails in allowing immigrants into the country. Whereas in the previous hundred years **Citizenship and Immigration Canada** favored White immigrants from Europe (because North America was deemed to be a White continent - and rightfully so), in the last few decades it has swung heavily the other way. Now Whites are actually kept out of Canada, but Haitians and Jamaicans, Latinos and Mexicans, Hindus, Sikhs and other Punjabis, Pilipinos, Japanese, Chinese, all manner of Asiatics, and especially Muslim "refugees," and all the rest of the filthy scum of the Third World is flocking... is flooding into the our once-great nation with the full sanction of the **Jew-controlled Citizenship and Immigration Canada** - and, like in Europe, we will soon be drowning in an **Islamic Deluge**. One in four Britons is now an ethnic minority.

Not only are the **mud races and scum** flooding into our country by the hundreds of thousands legally, but even more are flocking in illegally. **Asians**, who refuse to adopt our language and culture and, *instead*, as in the case of the Punjabi minority, are declaring themselves to be on par with our English and French ancestry, are forcing their language and cultures upon us. **Sikh people** comprise only 1.4% of Canada's population - yet they are not only credited for paving the path to Canada for all South Asian immigrants. Sikhs are now demanding that we make Punjabi an official language in Canada and have designed to change our national anthem to suit themselves - we see incremental changes being demanded by people such as **Sadhu Binning** and **Balwant Sanghera**.

Lest we forget how the French/English divide almost tore Canada apart. why would we want to do something even more divisive... and whence will it end? will we have Mandarin, Cantonese,, Hindi, Urdu and Arabic official languages *as well*, laying the plans for the break-up of Canada? I don't know about you, but I love my country and want to retain our cherished culture. We built this culture and it is not for some **extreme lobby groups** to decide that we are now are post-national with no binding culture. Language being the most fundamental part of culture, we need to be sure that Canada remains just English and French!!

The **Muslims and Africans** who have the highest birthrates in the world but can't feed themselves in their own countries, are glutting across the border, and our Jewish-controlled government - a Liberal minority - is open-armed welcoming them into our midst. In 2011, the Conservative cabinet passed a regulation known as the **"4-in, 4-out" rule**, requiring all **temporary foreign workers** who have been in the country for four years or longer to leave, and remain outside Canada for at least four years. In theory, a temporary foreign worker can apply to transition to permanent resident status within those four years in Canada, but in practice, those designated as "low wage" will generally not qualify for this.

A couple of provinces (mainly Manitoba and Alberta) have used their **limited scope of authority** to nominate "low-wage" workers for permanent resident status. Most will not go back. They will overstay their visas, go underground and remain living and working in Canada without legal status - daring to imagine themselves as potential members of the society where they live and work, having formed social bonds, yet contributing nothing of

value to our culture and continuing to chatter in their own tongues.

ZOG's guest-worker regime is misguided and should not continue. But terminating it will not resolve the dilemma of those temporary foreign workers who are already here. Canadians should have little sympathy for temporary foreign workers who overstay their visas, individual immigrants, student or business immigrants who are not paying their taxes, but are benefiting from the **free services that the government provides** or who have **offshore assets and offshore income**, but are not reporting these assets or income to the **Canada Revenue Agency (CRA)**... the point is that once we have imported these useless bags of scum it is absolutely inevitable and predictable that they will be here for ever.

Thanks in part to Canada's historic commitment to permanent immigration, this country has not had a significant population of irregular immigrants, until now. Thanks to the "4-in-4-out" rule, Canada's population of "illegal immigrants" is about to increase, and not because hordes of foreign nationals have suddenly surged across the border clandestinely, despite a majority of Canadians believing immigrants who are in the country illegally or after their visas expire should be deported, even if they have family ties in the country. Not to mention the cruel joke of **family reunification**.

Citizenship and Immigration Canada (CIC) is supposedly responsible for Canadian immigration and citizenship, and the **Canada Border Services Agency (CBSA)**, responsible for border services (port-of-entry services), customs and enforcement of some immigration laws in Canada, handling arrests, detentions and removals. These departments are supposed to work with the **Royal Canadian Mounted Police (RCMP)**, the **Canadian Security Intelligence Services (CSIS)** and the **Minister of Public Safety and Emergency Preparedness** to protect Canadian society from people who may pose a threat to public health, safety, order or national security. But do they really do their jobs? - or not.

Jews have Special Status

Jews, *of course*, can come in here legally or illegally at will from all parts of the world. They even have the special privilege of having **dual citizenship with Israel**, a privilege granted to no other country and no other people. What I've said so far are a few examples of how "our" government favors Muslims, Black and Asiatic heritage and the myriad of other mudling races, and discriminates against Whites, all the while hypocritically preaching equal rights for all.

12. Sports and the Entertainment Industry

In the private sector, especially in sports and entertainment, the coons are heavily favoured over Whites. This, *as well*, is not too surprising, since the control of sports, television, radio, movies, the music industry, and theatre are almost totally dominated by Jews. As I've said, ☆ **Israel Cohen** spelled it out: Let us go back to the beginning of this paper and recall what Cohen said in his blueprint of the early 1900's: "We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our cause." *By America, Canada is inferred, as well.*

Hopefully I have opened your eyes to the many divers occurrences that have happened in this country and throughout Western Civilization. I urge you to reread this document and do some research for yourself online. There are many brilliant speakers with videos posted on **YouTube**, such as: **Roy Beck, Douglas Christie, Dr. David Duke, Lisa Haven, Noel Ignatiev, ☆ Brother Nathanael Kapner, Ben Klassen, Fred Leuchter, Dr. Kevin MacDonald, Dr. Revilo P. Remember and never forget: If the **Canadian Race** isn't worth saving... what is? Let us fight for our peoples and, since they - the Jews - started this **Unholy Civil Race War**, let us fight for our progeny that our unborn children inherit the future our ancestors died believing in... let our beloved not roll over uneasy in their graves - their graves dug in the soil of our ancestral homeland.

Instant Celebrities with the Jew-tube

There you have it. Zion wouldst promote the Niggers, Chinks and Shitskins, and have them mongrelize our White blood, and deliver North America (and the rest of the world) into the hands of the Jews. As a result of this insane program, a dumb Nigger without talent, thanks to the Jew-tube, can become an instant celebrity. All the Jews need to do is turn on their tremendous publicity machines, and presto! another instant **Nigger super-star**. Usually the Jews are not satisfied to call these Black bastards just plain ol' stars but have to pass them off as super-stars! Their own, the Jews, are treated the same way, but with even greater fanfare. The Asians and Muslims will follow suit as more-so less-and-less in turn, as sitcoms and commercials revolve around Black families and the token "Nigger" becomes more-and-more prominent.

Yes - there is a **race war** - and we haven't even started fighting for our souls! and, as you read these lines we die a little more.

Disgusting Degeneration

As a result we have a number of untalented jigaboos of every nationality but White, male and female and otherwise, and a passel of despicable Jewish clowns passing themselves off as talented and worthy of our attention to be worships as gods. We should hardly be surprised that the literature, music, movies, TV, theatres, sports and other perverted arts has degenerated to the low level of **pornography and trash** we find today which is called entertainment. And, more-and-more, more-and-more Third World lowlifes are being presented to us as "hip-hop" heroes to be idolized and mimicked.

13. Law Enforcement and Armed Services.

Just as the White population in the South for two decades after the Civil War was without civil protection from Niggers, Jewish carpet-baggers and other criminals, so the power establishment today is pursuing a course of staffing the law enforcement agencies, police departments and the armed forces with more-and-more Niggers, Asiatics and Muslims. They are planning for the dawning of the **Day of the Rope** when their coons, Latinos, rice monkeys, towel-heads and goat-fucking camel-jockeys are loosed upon descent law-abiding White folk and begin race rioting, and all the arms of physical force will be in the hands of our mortal enemies, the

"Niggers" - black, brown, yellow and red-skinned heathens alike - as directed by their hook-nosed rat-faced Jewish masters.

Appointive Powers

Just as the Jews use their money and propaganda machines to help elect first generation mayors, members of parliament, senators and other elected officials, so also do the Jews use their appointive powers to appoint and select Coloured and slant-eyed policemen, judges, and staff the RCMP and military with Niggers, Chinks and Shitskins, such as former B.C. Mountie turned cocaine smuggler **Rapinder Sidhu**, or **lieutenant-commander Wafa Dabbagh**, a Muslim women in a niqab who is being called a pioneer of the Canadian Armed Forces? it just makes me sick that our government is hiring these **foreign-born mercenaries** to enforce their **corporocratic slavery** over us, our children and our children's children for ever. Not only are these agencies getting Blacker-and-Blacker, but promotions up the line come faster and easier for "Niggers" - and ability is no criterion.

Preparing for Jihad

The Jews are fortifying those arms of force that are critical in case of **civil insurrection** with Islam. They know the day of reckoning will quick become, and when it does they want to make sure the Whites will be in no position to wrest control by force but hopefully will be shot down like dogs by their imported animals. The **2014 Ferguson unrest** occurred against a backdrop of racial tension between police and the Black community in the wake of the shooting of **Michael Brown**, who was killed after he stole a \$48.99 box of cigars; similar incidents elsewhere such as the shooting of **Trayvon Martin** sparked smaller and isolated protests.

The Jewish media is trying to create an underclass in North America, using emotionalism of skin colour in order to do it. **Personal responsibility** is something that has gone totally out the window. Both of these cases where goonish Tar-Baby Americoos lost their lives... it was not their skin colour that got them killed, it was their bad conduct. And, in the case of **Michael Brown**, his last moments on earth were documented as to what he was participating in - and that was a **strong-armed robbery**... yet the Zio-media painted this dirty thug out to be some kind of Angelic posterchild for innocence and Black purity. Its tragic to see how the police are vilified in such instances. More than 95% of police encounters with civilians ends very well... except the Blacks in the U.S. and Indians in Canada more often than not instigate trouble.

As promised, the Jewish media was fanning the flames of racial hatred and violence in repeatedly painting a picture of a baby-faced innocent-looking young **Trayvon Martin**, whose gangsta moniker was **No Limit nigga** on his Twitter account, and profile photo was of a nasty looking punk giving the world the finger!

In recent decades, newspapers and other media outlets have stopped mentioning suspects' or victims' race or ethnicity because of perceived "public criticism." Newspapers came to embrace the idea that such information is irrelevant to the reporting of crimes, and may unfairly stigmatize racial groups... but does not worry about stigmatizing a racial group, at least when the group is White.

The Jews have been very successful in putting everything they can behind **racial identity politics**. Most White people who take to the streets to protest with the Blacks are poor, uninformed idiots, dolts

who surrender their own **Free Will to Power** and quick become somnambulist puppets - dreamers with unseen Jewish hands shoved so far up their collective keesters that they can only insensibly bray like the asses they are. And how many of these Black protestors are in receipt of government welfare cheques? how much of the civil unrest in the United States are the White tax-payers funding themselves?

14. Black Crime and Warfare Against the Whites

While the **White Christian churches** are mentally and spiritually disarming the gullible Whites by preaching "brotherly love" and liberally spreading the communistic LGBTI rainbow-coloured B.S. over the nation, the Jews join in this deceptive practice with all the propaganda means at their disposal, organizing the Niggers, Chinks and Shit-skins *via* civil rights groups, such as the **Canadian Civil Liberties Association (CCLA)**, and **B'nai Brith Canada**, which advocates for Canadian Jewry, and even the First Nations **Idle No More** movement. As Muslim, and even Christian churches, pour on hatred for "Whitey," the government, especially in America, even funds and sponsors programs like the violent racist movement, **Black Lives Matter** that do the same thing - preaching Black hatred for the White Race.

Phillip Corbett, associate manager of the New York Times confessed to censoring the story of the twenty-eight black males sought for the rape of the Mexican girl. **Black Panther Quanell X** held a rally blaming the arrests on White racism, and he blamed the eleven year girl for being raped by 28 adult black males.

Killers

All this has had its desired effect and almost every Nigger in the world is filled with intense **hatred for the White Race**, just look at South Africa, *for example*. As a result some of the more unbalanced and demented Niggers get so rabid they go out and shoot, stab or otherwise kill Whites, with no provocation, and usually picking their victims at random. These are not isolated cases but the overwhelming preponderance of **Black-on-White over White-on-Black violence** happens daily, and most often the victim is a young White woman. Statistics have proven that when Whites commit violence they choose fellow whites as victims 82.4% of the time, and almost never attack Blacks. Blacks attack Whites almost as often as they attack Blacks, and Hispanic/Latinos attack Whites more often than they attack any other group, including their own. Blacks are the attackers in 84.9% of violent crimes involving Blacks and Whites. **Violent interracial crime** involving Blacks and Hispanic/Latinos occurs in almost exactly the same proportions as Black on White crime. There is much media agonizing over Black-on-Black violence, but these figures show that only 40.1% of the victims of Black violence are Black, while people of other races account for nearly 60% of the victims of Black interracial violence. In other words, Blacks deliberately target both Whites and Hispanic/Latinos. And Muslims in Europe - Sweden (gang-rape capital of the world), Germany, France and Britain - London having a Muslim mayor of all things - are browned out! and those great countries which gave us civilization **Light of the World** is forever extinguished as the Rich usher us into the post-apocalyptic New Age of Technocratic Darkness and Eat the Poor. Just you wait until you can't buy food or gas because your

money is useless - and those monsters turn off the power and the water - and only the foreign-born own homes... who *then* will cry for you and yours?

Crimes Seldom Solved

Nowhere in the mainstream news are reports of a **European gang rape epidemic** predatory by Arab Muslim males - more-often-than-not identified as Asiatics - with highly misogynist attitudes that are sweeping areas in Europe. These Jihadistic crimes usually go unsolved, partially because there was no motive or connection between the assailant and the *so-called* "Islamophobic" victims which have been repeatedly denounced and blamed for the actions of their attackers, because the police departments are getting more-and-more indifferent about solving such crimes involving entire gangs with "serious" criminal records among the refugees.

All of this fits a pattern, whereby those in power use **sexual violence as a political tool** to control the movements of those whom they see as the true source of chaos in society: women... and more to the point - White women. Blaming victims of sexual assault sends a clear message to women that they do not have a place in the public sphere and creates a culture of acceptability around the abusers' actions by implying that the responsibility lies with the victim rather than the attacker. Europe has fallen into this trap, not out of hatred for the victim, but out of fear of confronting the perpetrator, particularly when the latter belongs to a minority religion or culture. In Sweden, statistically speaking, 1 in 4 women will now be raped by a Muslim.

There is a massive cover-up of the phenomenon of sex assaults, robberies, and gang rapes for sport committed by these **Islamist asylum-seekers** within the Middle Eastern and African Muslim immigrant populations. Making allowances for human-rights abusers in order to avoid causing offense is, *after all*, nothing new in Europe. Neither is our all too often well-meaning refusal to question the potential impact of welcoming record levels of migrants onto our societies.

Ultimate Goal

Now Mark: This is a deliberate act of racial warfare designed by the **Jewish-controlled Communistic European Union** to decimate and/or mongrelize the White Race. It is being accelerated at a slow rate until it will gradually be stepped up into full fledged warfare when the Jews are ready. While "Whitey" stupidly goes on preaching "martyrdom" and "brotherly love" and doesn't know that he is a target for genocide, the Jews and their Islamic half-brothers are under no such illusion. They mean to "Kill Whitey," and feverishly pray and prepare for the day when they can slaughter every White man, woman and child, just as they did in San Domingo 180 years ago, or in the Congo 20 years ago, or in South Africa today.

Invasive Species

Bandy "Moon" LaSées

Invasive species are harmful alien species whose introduction or spread threatens the environment, the economy, society and human health. Invasive species can also include species which are native to parts of Canada, but have been introduced to a new geographic region due to human activity. Once they are established, they are extremely difficult and costly to control and eradicate. Their ecological effects are often irreversible.

Fishing, hunting, forestry, tourism and agriculture can all be affected by invasive species. They foul water intakes, reduce the value of commercial and recreational fisheries and reduce property values. Every year, invasive plants cost the agriculture and forest industries in Canada about \$7.3 billion. In Ontario alone, impacts from **zebra mussels** cost upwards of \$100 million *per* year. Fighting and preventing the spread of invasive species is also extremely expensive. For this reason, the Ministry of Natural Resources' plan is to prevent invasive species from entering Canada in the first place.

Invasive species can be dangerous. For example, **giant hogweed**, a plant introduced from Asia, is toxic. The plant's sap can cause painful burning blisters on skin. When invasive species move into parks and beaches, they can affect outdoor activities. **Water chestnut**, an aquatic invasive plant, floats on the surface of the water and forms dense clusters with sharp barbs. It threatens native species and makes swimming and boating difficult.

The sea lamprey is an invasive, eel-like fish that has been in the Great Lakes since the 1930s.

House Sparrows

Less than 200 years ago, there were no **House Sparrows** in North America. Now these cosmopolitan birds are one of the most abundant songbirds on the continent, with an estimated 150 million birds established throughout Canada and the U.S.

The House Sparrow (*Passer domesticus*) is a small, granivorous and insectivorous songbird with conical bill and chunky body. Males have a grey crown, black bib, streaked-brown upperparts and grayish-white underparts; females are grey-buff overall. The song is repetitive, metallic and unmusical.

Eight pairs of **English Sparrows** (not related to North American sparrows but rather to African weavers), originally recorded in Eurasia, North Africa and the Middle East, were introduced 1850-52 from Europe to Brooklyn, NY, to control insect pests.

Through subsequent introductions and dispersals, the species spread across North America, reaching Québec City (1854), Ontario (1870) and across Canada (mid-1880s). In eastern Canada, it is now common to 48° north. Farther north it occurs in isolated colonies. In the West, it is found north to Fort Simpson, NWT, and west to Vancouver Island. House sparrows are permanent residents of cities and farms.

House sparrows build bulky, domed nests, intricately woven of grasses, on buildings, in natural cavities or in trees and shrubs. Two-to-three clutches of 3-7 eggs are laid from April to August. They nest singly or in small groups. Small flocks form in summer, reaching several hundred individuals in winter.

House sparrows are agricultural pests and fierce competitors of native birds. They reproduce and grow rapidly and are important for studies of rapid adaptation to new environments.

Purple Loosestrife

Purple Loosestrife (*Lythrum salicaria*) is a herbaceous wetland perennial that was introduced into North America from Europe in the early 1800's. It is believed that purple loosestrife was introduced into North America in the ballasts of cargo ships. Other possible modes of introduction included purposeful introduction as a herb, rootstalks brought over by horticulturalists, and seed transport via imported raw wool and sheep.

Purple loosestrife invades native wetland communities forming a monospecific stand that no Canadian bird, mammal or fish depends upon. Purple loosestrife germinates and grows faster than just about any native Canadian wetland species. Loosestrife soon forms dense brushlike stands, usurping water while forcing out native plants. Researchers monitoring the spread of loosestrife at a waterfowl impoundment in New York found that within 13 years purple loosestrife went 90% of the total biomass. Loosestrife reduces the size and diversity of natural plant communities, threatening scarce species. Once purple loosestrife invades an area and out-competes the native flora, the wildlife that once depended upon the native flora, is forced to move into new areas. Waterfowl will not eat loosestrife seeds. Muskrats eat around loosestrife stands. Wildlife species are displaced and those that cannot move into new areas are lost. What remains is a biological desert devoid of native plant and wildlife species.

In its native range, purple loosestrife is not considered a problem plant. In Eurasia, there are over 120 species of insects that prey on purple loosestrife regulating population levels. The evolved predator/prey relationships was not transferred to North America with the introduction of purple loosestrife. Hence, there are no natural predators or diseases of loosestrife in North America to curtail its spread.

Attempts at controlling this invasive alien have not been successful. Burning does not create enough heat to kill the rootstalks under the soil. Mowing or cutting does not destroy the rootstalks and creates pieces that may resprout vegetatively. There are no herbicides registered for use over open water in Canada that will control loosestrife. Herbicide application would only affect the current standing plant growth and would not affect the developed seed bank.

Efforts are underway to test the effectiveness of biological control agents. Insects that control loosestrife in Europe have been imported in hopes they can control loosestrife in Canada. They are a root weevil *Hylobius transversovittatus*, and two species of leaf eating beetles, *Galerucella pusilla* and *Galerucella californiensis*. Testing has indicated that these species of insects feed only on *L. salicaria* and that the chance of a permanent host transfer is extremely low.

Biological control offers a long-term control method that will not eradicate loosestrife, but reduce population levels to ecologically tolerable levels. Biological control programs for other noxious weeds, including **Leafy Spurge**, look promising.

Asian Carp

Asian carps were brought from Asia to North America in the 1960s and 70s. Since then they have migrated north through U.S. waterways towards the Great lakes. Preventing Asian carps from spreading into the **Great Lakes** is the best way to prevent harm to Ontario's native fish species.

Asian carps (Silver carp, Bighead carp, Grass

carp, Black carp) threaten our native fishes and are a safety hazard:

They are successful invaders that have replaced native species in areas of the Mississippi River and its tributaries.

They make up more than 50% of the fish by weight in some parts of the Illinois River.

They can grow more than 25 centimeters in their first year.

They typically weigh two-to-four kilograms, but can weigh up to 40 kilograms and reach more than a meter in length.

They can eat up to 20% of their body weight in plankton each day.

They reproduce rapidly.

Asian carps prefer cool to moderate water temperatures, like those found near the shores of the Great Lakes. If Asian carps become established in Ontario waters, they could potentially eat the food supply that our native fish depend on and crowd them out of their habitat. The decline of native fish species could damage sport and commercial fishing in Ontario, which brings millions of dollars a year into the province's economy.

Ontario is working to keep new aquatic invaders like Asian carps out of the Great Lakes. It is illegal in Ontario to possess live Bighead, Silver, Grass or Black carp as well as other invasive fish species. People have been caught, convicted and received large fines for trying to import truckloads of live Asian carps into Ontario to sell at fish markets.

Bighead and Silver carp represent the most severe threat to Ontario water

Asian Longhorned Beetle

In September 2003, adult **Asian longhorned beetles** (*Anoplophora glabripennis*, Motschulsky) were discovered at the city limits of Vaughan and Toronto, Ontario. This insect, native to China and the Korean Peninsula, is believed to have arrived in North America in solid wood packaging materials such as crates and pallets.

Since 1982, it has been intercepted on numerous occasions by the Canadian Food Inspection Agency (CFIA) and the Canada Border Services Agency at Canadian ports of entry and in warehouses.

Attacks by the Asian longhorned beetle have been reported on numerous species of hardwoods in North America and Europe. In Canada, these have mainly been healthy trees such as maple, poplar, birch, willow and elm.

Because this beetle could kill trees and has no known natural enemies in this country, it represents a serious threat to Canada's natural forests. It has the potential to lead to widespread tree loss in the urban landscape, impacts on the tourism and recreation industries, losses in the hardwood forest industry worth billions of dollars in wood products, losses in the multi-million-dollar maple syrup industry, significant damage to ecosystems, and the imposition of trade embargoes on Canadian forest products.

For these reasons, the **Canadian Food Inspection Agency (CFIA)** implemented an eradication program in 2004, with the assistance of collaborators, including the **Canadian Forest Service (CFS)** and the **Canada Border Services Agency** at Canadian ports of entry and in warehouses, before the beetle could establish in Canada's natural forests:

A quarantine zone of about 150 km² was established around the infested trees to restrict the movement of wood and wood products out of the regulated area.

To prevent the insect's further spread, all infested or seemingly infested trees found between September

2003 and March 2004 (in total, 531) were destroyed and the wood was chipped.

An additional 12,500 trees considered at high risk of being infested were also destroyed or chipped.

The quarantine zone has been surveyed daily since 2003. Some infested trees were found each year between 2004-and-2007, with the last one being found in December 2007. By then, a total of 665 infested trees had been removed together with 28,165 high risk trees. The CFIA declared the beetle eradicated in April 2013, after five years of negative survey results in the quarantine zone.

In addition, surveys aimed at detecting populations of the Asian longhorned beetle outside of the quarantine zone have been conducted annually since 2008 in British Columbia, Ontario, Quebec and the Atlantic provinces. To date, no other outbreaks of this insect have been detected in Canada.

The Exception of Halychanka Wheat

The first recorded plantings of wheat in Canada took place in 1605 at **Port Royal** (now *Annapolis Royal, Nova Scotia*). A small water-powered grist mill was operational around that time. Other recorded early plantings were in **Québec City** by **Louis Hébert** in 1617. The subsequent spread of wheat production in Canada coincided with the movement of settlers westward. A planting of wheat was recorded at **Fort St. Louis**, west of Nipawin, Saskatchewan in 1754. A much larger planting was undertaken in the Red River area by the **Selkirk settlers** in 1812 - *supra*. The wheat seed planted in those days was brought over by the settlers from their country of origin and included varieties such as Club, Golden Drop, White Russian, Red Chaff and Ladoga. These varieties were not well adapted to Canadian growing conditions and were low yielding, late in maturity and inferior in baking quality. The introduction of **Red Fife** in 1842, with its improved yield and baking quality, increased the wheat acreage in Canada, leading to an acceleration of land development and expansion of the railway systems.

Red Fife Wheat was originally grown in the Ukraine by Mennonite farmers. Red Fife seeds were later shipped to Glasgow, where a friend of **David Fife** sent a sample to Canada. Fife then grew the variety in Ontario and shared it with other farmers, calling the wheat Red Fife after its distinctive color. The Red Fife seed adapted to a great diversity of growing conditions across Canada and became the baking and milling industry standard for forty years, from the 1860s to the turn of the 20th century.

Marquis wheat was developed from crossing Red Fife with Hard Red Calcutta. Marquis took over Red Fife's place in the early 1900s and then Thatcher in the 1930s

In 1911, the Canadian Pacific Railway offered a prize of one thousand dollars in gold for the best wheat variety in Canada. Marquis easily won that award. By 1918 Marquis was planted on more than 20 million acres from southern Nebraska to northern Saskatchewan; i.e., it occupied 80-90% of the total wheat acreage.

Diversity Within the Variety

Each seed shows a distinct protein banding pattern. This preliminary research work shows that the 'terroir' of genetics and the environment immediately affect the quality of the seed. Called "folk seeds" or farmers' varieties, landraces have been feeding people since plant domestication started about 10,000 years ago. Landraces provide

excellent insurance for subsistence farming populations; there is always something in the field at the end of the season.

Farmers stopped using Red Fife and Marquis as new and improved varieties came onto the market. Landraces have horizontal resistance, as opposed to hybrids that have vertical resistance. By the 1960s, the Green Revolution introduced varieties of crops that were dependent on high inputs of fertilizer to produce high yields. Plant breeders have used the genetics of old varieties like Red Fife to develop new varieties. Many of the bread wheats developed in Canada owe part of their genetic lineage to Red Fife Wheat

Plant breeding and the production of new varieties is a continuous process. The new varieties must show yield improvements plus a response to the changes in disease and insect patterns and changes in the processors and consumer requirements. In this sense Marquis has left a permanent legacy. It has been shown that virtually every wheat variety produced in Canada over the past 100 years traces back to crosses made with Marquis. The high standards have been maintained. In fact the highest priced wheat class on the world market today is the hard red spring wheat (CWRS) from Canada. Marquis has had a similar influence on the economies, grain industry and variety improvement programs in the U.S. and Australia.

"White Niggers of North America" Pip Argot

Multiculturalism has been the **Trojan Horse** to undermine the beliefs and values of Canadians all along. Ultimately, the **Sovereignty of Canada** as a Nation will come under attack by the ruling elite - i.e. the rich Jews and their puppets. Pierre Trudeau, the Father of State Terrorism in Canada started it... and his son is continuing the family tradition.

According to **FLQ** philosopher **Pierre Vallières** more than 90% of the working class of Québec's French population can rightly be called "**White Niggers of America**" - a colonized people, subject to exploitation by ruling classes, which include a Quebecois elite, a Canadian elite, and a broader international economic elite in which the United States figures prominently. Vallières argued that action, and furthermore drastic, and militant action, was necessary to change the situation of the workers of Québec. The use of the word nigger implies a parallel to Black (and to a lesser degree, the Irish) people, particularly under conditions of slavery in the United States prior to the Civil War. He focused, in particular, on the assumed inferiority and social denigration of the "nigger," typically imported to provide a base of cheap, slave-like labor from which a ruling class can sustain itself. He claimed

that the "nigger" lacks any kind of control over the structures of political and economic power in his society, yet cannot escape their tremendous influence. Therefore, the only way to change the circumstances of the white niggers of Québec is to overthrow the system that exploits them, eliminating in particular the economic, administrative, political, subjective and intellectual conditions that it imposes.

It is sometimes hard for English Canadians to grasp how deeply many French Canadians feel the loss of control over their identity. Although most French Canadians do not see themselves as victims of slavery, most do believe they and their culture have been subjected by oppression at the hands of English Canada. Québec nationalism finds its roots in a nation's struggle to protect its culture, its language, and ultimately its identity. In the eyes of nationalists, the term province serves to equate Québec with Canada's other territorial units when in fact, for many francophones, Quebec is not just a province with a difference, it is a nation and deserving of recognition.

Do not deliberately distort our Canadian racialism. We are not at heart anti-any other race. We are merely pro-Canadian. We are concerned with making the Canadian race strong and healthy in every way. We are not interested in having millions of degenerates and foreign-born in Canada changing our identity, establishing their cultures in our midst, if it is in our power not to have them. Today rampant drug addiction and alcoholism are everywhere... as are the unwelcome peoples of inchoate nations. We care that Canadian families are healthy and prosperous, caring that we raise healthy children for the renewal of a healthy nation. Canadian racialism means, simply put, rediscovering the creative values of our peoples - rediscovery of our own heritage. We endeavour to search for excellence in our ancestral peoples, which is a noble endeavour. Our nationalist racialism is not against other races, it is for the advancement of our own race. It is aimed at defending and improving our race, and wishing that all other races do the same for themselves... in their own lands where they belong... and stop forcing themselves, their cultures and languages upon us. We wish to be whom our great-grandparents thought we would become - true and strong and free - and nothing else. Who can ask for anything more - or less?

We are the **Black Thorn Society**- a group of close-knit interrelated families with the betterment and preservation of our European-born national identity as our strong cultural common interest. We love Canada as it was supposed to be... we are the dreamers who dare to believe that the sleepers will awaken to the truth about the gadom ZOG in Ottawa and end the genocidal nightmare of Third World mass immigration.
